

## Travel Border Survey

3<sup>rd</sup> quarter 2007

---

### **Non-Resident Visitors and Outbound Visits by Residents in Portugal Increase**

In the 3rd quarter 2007, 9.2 millions of non-residents visits were registered, accounting for an increase of 12.0%, comparing to the same period in the previous year. Spain was the main origin market. From July to September 2007, the outbound visits made by residents reached almost 6.8 millions, corresponding to a year-on-year increase of 13.4%. Spain was also the main destination of the visits made by residents.
