

THANK YOU TO ALL THE MOTHERS IN PORTUGAL!

INSTITUTO NACIONAL DE ESTATÍSTICA
STATISTICS PORTUGAL

Mothers in 2021

Living with their children

1,939
aged under 20

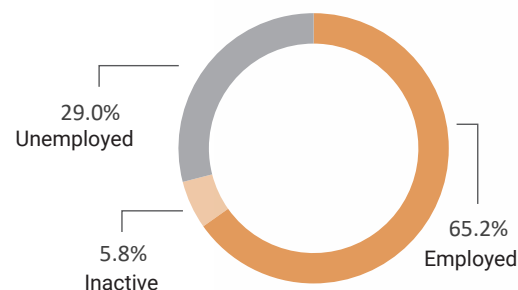

236,893
aged 20 to 34

1,673,831
aged 35 and over

Living with their children

496,342
By themselves

1,416,321
In a couple

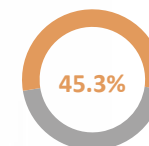

78,679 child deliveries to mothers residing in Portugal

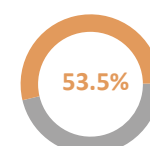

In 2021, most child deliveries were to mothers residing in the Área Metropolitana de Lisboa (33.5%). On the other hand, the Região Autónoma da Madeira had the lowest number of child deliveries (2.2%)

In 2019, mothers cared for their children by

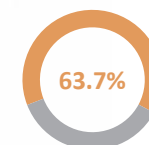

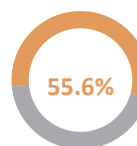

Putting to bed

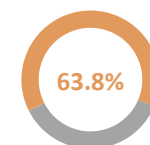

Helping with schoolwork

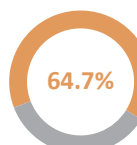

Taking to the doctor

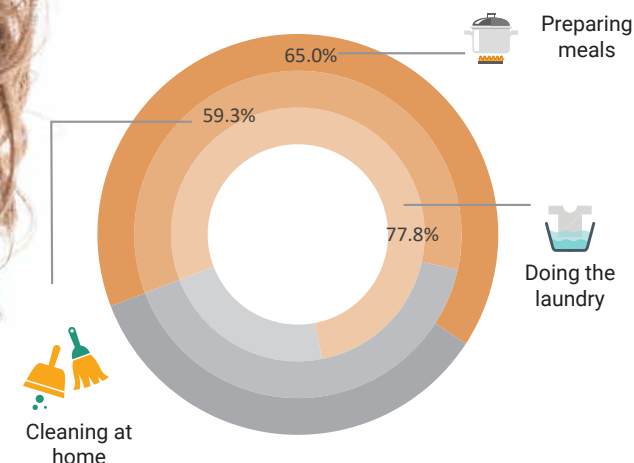

Bedside caring

Taking to and from the day nursery

Dressing

Along childcare, women also took on the brunt of housework
