

World Telecommunication and Information Society Day – 17th May

16th May 2025

MORE THAN HALF OF ENTERPRISES WITH 10 OR MORE PERSONS EMPLOYED HELD REMOTE MEETINGS VIA THE INTERNET

As part of the celebrations for 90th anniversary of Statistics Portugal, and to celebrate World Telecommunications and Information Society Day, celebrated on 17th May, Statistics Portugal releases a set of indicators on Internet access and use by enterprises with 10 or more persons employed in Portugal. The information released is based on the results of the Survey on Information and Communication Technologies Usage and e-Commerce in Enterprises¹ for the year 2024. Whenever possible, the data is presented in comparison with the figures for the European Union.

¹ The target population of the survey comprises active non-financial enterprises, in the legal form of a company, headquartered in Portugal, with their main activity classified in sections C, D, E, F, G, H, I, J, L, M, N and group 951 of section S of the Portuguese Classification of Economic Activities, Revision 3 (CAE Rev. 3).
