CENSUS 2011  
21 March, 2011

---

### **CENSUS 2011: housing stock (pre-provisional results)**

Given the importance of this topic for statistical users, in the preparation of the provisional results of 2011 Census Statistics Portugal decided to anticipate the release of information that allows the characterization of the national housing stock, also comparing it with the 2001 Census data.
