Provisional Estimates of Resident Population

2007

Provisional Estimates of Resident Population - Portugal, NUTS 2, NUTS 3 and Municipalities

Statistics Portugal releases on www.ine.pt the Provisional Estimates of Resident Population in Portugal for 2007-
presenting information by sex and single years of age for Portugal and NUTS 2, and by sex and age groups for
NUTS 3 and Municipalities. A brief analysis of the main results and demographic indicators for 2007 will be also
available, only in Portuguese.
