

## Statistics Portugal website with new organization and image – 2019

Statistics Portugal makes available a new version of its Website, which main change is the reorganization of its contents with a renewed image.

Making access to official statistics easier and faster is Statistics Portugal main goal with this website revamping.

The screenshot displays the Statistics Portugal website with a new layout. At the top, there is a navigation bar with the logo, menu items (Statistics, Products, Weblog), social media icons, and a search bar. Below this, a row of six key statistics is presented with icons and brief descriptions:

- 10 291 027 (No.) Resident population 2017
- 6,7 (%) Unemployment rate 4th Quarter 2018
- 0,48 (%) Consumer price Index January 2019
- 2,1 (%) Gross domestic product chained volume levels (8.1%) 2nd Quarter 2018
- 4 886 (No.) Net migration 2017
- 111,6 (No./ km²) Population's density 2017

Below the key statistics, a grid of six featured articles is shown, each with a thumbnail image and a brief summary of the content, including dates and specific data points.

The bottom section of the website features a row of logos for various statistical publications and surveys, including CENSOS, webinq, IPC, CONTAS NACIONAIS, and Recenseamento Agrícola. At the very bottom, there is a footer with links to About, INEWS (Newsletter), Users Area, Ask for data or information, Comments/Complaints/Compliments, Links, and Join Us, along with social media icons and a list of resources like Digital Library, Catalog/Products and Services, REVSTAT, Events, and FAQ. The footer also includes logos for CSE, INE, CAE, SISTEMA ESTATÍSTICO EUROPEU, and the 2020 logo, with a copyright notice for Instituto Nacional de Estatística.
