INDUSTRY TURNOVER, EMPLOYMENT, WAGES AND SALARIES AND HOURS WORKED INDICES

June 2022

## INDUSTRY TURNOVER INDEX ROSE 31.5%

In nominal and year-on-year terms, Industry Turnover grew 31.5% in June, up by 2.4 percentage points from the previous month, still reflecting the price increases in industry (25.7% in June). Excluding the *Energy* grouping, sales in industry increased 24.2% (24.3% in May). Domestic market and non-domestic market growth rates were 27.2% and 37.5% (26.2% and 33.3% in May, by the same order). In the 2<sup>nd</sup> quarter of 2022, industrial sales grew 26.5% (21.9% in the previous quarter).

Employment, and wages and salaries and hours worked (adjusted of calendar effects) year-on-year change rates were 2.9%, 6.4% and 2.5% (3.2%, 7.8% and 3.1% in May), respectively.
