Statistics Portugal publishes 2008 data on Culture

Statistics Portugal releases the publication *Cultural Statistics - 2008*, which provides statistical information on the activity of the various cultural fields.

The publication is divided into ten chapters dealing with topics covering all activities and cultural spheres: cultural employment, cultural sector enterprises, international trade in cultural goods, cultural heritage, visual arts, periodical publications and literature, cinema, and art of entertainment, broadcasting and cultural activities public financing. This information is preceded by a chapter analysing the main results and a table summarising data on the last three years and information for 2000 and 2005.
