

Vítor Junqueira

Senior Statistician, INE – Statistics Portugal

Vítor Junqueira was born in 1973. He graduated in Economics from the University of Lisbon in 1996. In late 2013, after a ten year period at the research department of the Ministry of Labour and Social Security, he joined INE - Statistics Portugal as a member of the team in charge of the EU-SILC (Statistics on Income and Living Conditions).

Apart from INE, Vítor is a member of the Portuguese team at EUROMOD, the pan-European micro-simulation model for tax and social policies, as well as a researcher in the areas of pensions and social security, income distribution and poverty.
