Break	**All**	**14.40 – 15.10**

Session 9c(RT): Experimentations and communication strategies

Round Table (RT) session chair: Diane Willimack

Round table discussion	All	15.10 – 15.40

Session 10: Closing session

Chair: Ger Snijkers

1. Evaluation of the Workshop	All	15.40 – 16.30
ADJOURN		**About 16.30**

Sessions Formats

In the 2018 Workshop, we will have three sessions' formats: Round Table sessions, Traditional Sessions and Condensed Sessions, as described below. Please check the Workshop Program for the type of session you are in.

Round Table (RT) session: in this session format the presenters have 15 minutes to present, followed by 5 minutes for clarification questions (Q&A). The presentation should end with one or two questions, statements, or ideas that are input for a round table discussion on the session topic. All participants are expected to have read the background documents beforehand.

Traditional Session (TS): in this session format each presenter has 15 minutes to present and 15 minutes for questions and discussion (Q&A). The presentation should end with one or two questions/issues the presenter would like to discuss with the workshop participants, issues the presenter would like to get more information about. All participants are expected to have read the background documents beforehand.

Condensed Session (CS): in this session format each presenter has 15 minutes to present. The presentation should end with one or two questions/issues the presenter would like to discuss with the workshop participants, issues the presenter would like to get more information about. At the end of the session these issues are discussed in one combined Q&A group discussion. All participants are expected to have read the background documents beforehand.
