Organisation:	EUROSTAT
Subject:	INCGROSS Variable
Title:	Gross monthly pay in the main job preliminary analysis
<p>Abstract:</p> <p>For first time, since the entry into force of IESS Regulation 2019/1700, Eurostat received data of the gross monthly pay of the main job referenced to year 2021.</p> <p>Eurostat will present the preliminary data analysis with the received data by the end of March 2023, focusing in distribution analysis and quality of the data with the view of analysing the possibilities of the variable for dissemination purposes and possible use in the calculation of some new indicators.</p>
